Signature: _____ Date: _____

Pharmacy Data Management, Inc X12 835 Payment Reconciliation

The CD you receive will contain the following files.

X12 835 Filenames:

- H311111-?-X12SEQ
- H311111TEXT-?-X12

(Note: H311111 is an internal code that will differ by chain and period ending.)

(Note: The ? will be a one alpha character (O, P, W, or T)

Differences You May See:

Due to the requirements of the 835 EDI Standard, PDM has a few clients that we DO NOT handle cash management for; therefore, those clients will not have their claims applied to the X12 835 reconciliation process. Paper reconciliation will continue to be produced for these clients.

How to Contact PDM Regarding Questions and/or Issues with X12 835 Testing:

- By Phone — Call 330.629.7340, ext. 5404
- By E-mail — E-mail operations@pdmi.com

Quick Reference for PDM's X12 835 Payer Template:

- Visit our Web site, http://www.pdmi.com/hippa_news.htm and refer to the X12 835 Payment Reconciliation section.

Sign off for Production:

Before production, PDM requires that you sign-off on the X12 835 testing process. Please sign and return the Request for Production document once testing has been approved.
